Adria Access Wheelchair friendly Caravan

The Access combines the benefits of a touring caravan with the ability to have the caravan customised to accommodate the requirements of a disabled user. A wide access door, standard ramp, easy access wet room, rear double bed with individually adjustable back rests makes the caravan user friendly for those requiring wheelchair access. The specially designed interior combines reverse L shaped lounge to allow a wheelchair to be manoeuvred with ease and the unique drop down sink ideal for wheelchair users. The specification includes Alko ATC trailer control, Alko Delta chassis, Radio CD player, TV aerial, Microwave, Alloy wheels. The wet room has a new moulded shower tray and the option of either standard wc or bench toilet, a separate area houses the flip down basin. A large number of options/extras are available to enable the caravan meet the requirements of the maximum number of users including electric hoist, electric bed back, movers etc. Built by Adria to UK specifications the caravan is NCC approved and comes with Adria's 6 year damp and water ingress warranty and their standard 3 year warranty.
